

ProfilGate®

**Patented tire cleaning system
for Electronics & Engineering**

The problem ...

... The
Solution!

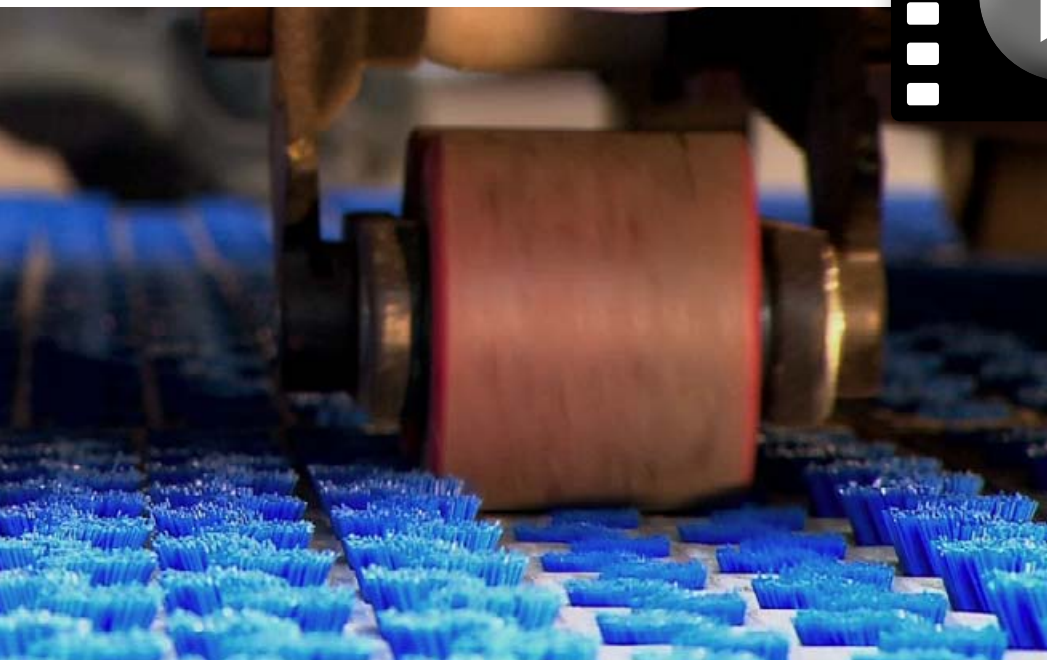

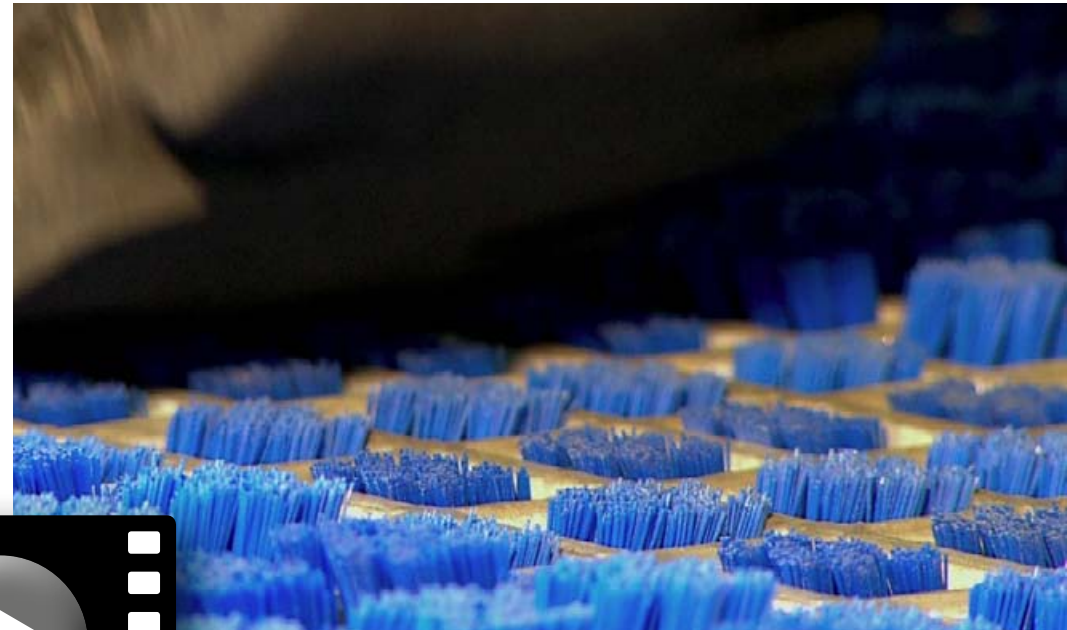

ProfilGate®

The Principle

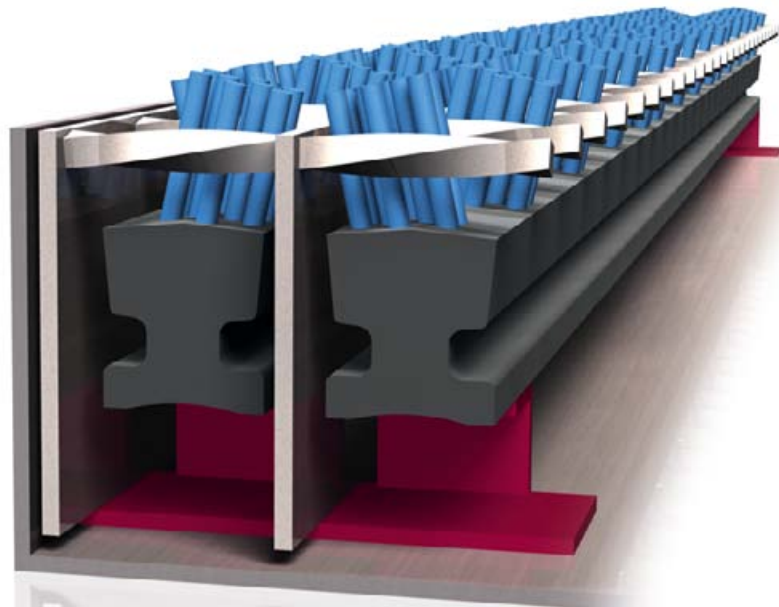

ProfilGate®

Please find the
ProfilGate® **Video** here

www.profilgate.de/principle

The Advantages !

- ✓ Pure mechanical cleaning of tire treads
- ✓ High efficiency due to patented brushes/strips
- ✓ Longterm durability due to solid grates
- ✓ Easy cleaning and maintenance
- ✓ No energy consumption/cost

Typical Applications

Where is the application worthwhile

- ✓ In cases where dirt-contamination of sensitive construction components should be avoided
- ✓ In cases where industrial-cleanliness is of top priority
- ✓ In cases where work safety shall be improved
- ✓ In cases of actual high cleaning-cost
- ✓ In cases of high traffic frequencies
